ARRANGING THE FUNERAL

Luke Allum Funeral Directors are available to offer help, assistance and to take instruction of your individual requirements in respect of funeral arrangements. We will have contact with external parties on your behalf e.g., Ministers, Doctors, Crematoria or Burial Authorities and make the necessary payments. All administration in respect of the preparation of all relevant paperwork, collection and forwarding these documents will be handled by Luke Allum Funeral Directors to allow the funeral to proceed legally. Advice will be given in registering the death, conducting the funeral, the funeral conductor, and all necessary pallbearers for the funeral.

LOOKING AFTER YOUR LOVED ONE

Luke Allum Funeral Directors provide a sensitive and professional service in bringing the deceased into our care. Luke Allum will look after your loved one by dressing them in their own clothes, making them ready to lay to rest in our private chapel. Viewing in the chapel can be arranged when making funeral arrangements.
